This letter is for the Hon. Judge Joseph Farnham JR.
in the Above Caption Case Number.

I am not Submitting any Arguments or Citing Cases

Memorandum in Support of my Habeas Corpus,
in October 2004 the State responded as to why my
Habeas Corpus Motion should fail, I requested
to be Appointed Counsel when I filed my motion
in July 2004, my Request was Denied without
Prejudice on March 10th 2005. I also Requested
and Added my Medical Condition to my Habeas Corpus
which was Denied in December 2004 because the
Court stated that Medical is Not Cognizable in
Federal Habeas Proceedings. as of May 2005
my Habeas Corpus and Memorandum to Support

in this Court 10 months now. I've been told by
